Life in Washington. C. H. Webb, in one of his letters from thus describes some of the people he

meets at the Federal capital: Of whisky inspectors and revenue officers-men who distrain on a gnat and Franchises conferred by the National Teleswallow a camel-who hold their position by uncertain tonures, and have charges to explain away, there is an army. The woes of these innocents would fill volumes, and the tender fatuity with which they relate them is especially charming. One of them, who is said to dential hari-kari. He had made noth- General Superintendent. Ell. N. Keyes, soon be re-established. Lines of telegraph ing, he said; indeed, he was out of pock- Engineer et by virtue of his office, and ingly resign if permitted

an honorable manner. But he strongly objected with even a shadow of suspion his character. Had he not been vi tuous he might now be happy and wealthy On one occasion, while investigating the wint. business of a distillery, he was surprised Thomps in going to his office by a large envelope lying on his desk. How it got there no Ben Holladay, George B Scatter, Robert one knew. Opening it he found to his Squares, John M Jaycox, Fred's Prentice, herre and amazement ten new scrip George B Watter, Isalah Blood, Charles W \$1,000 notes. Of course he did not Noble, Erastus Corning, jr. know from whence they came, but he Principal Office of the Company 61 Broadhad suspicions. Going down to the dis- way, New York. Rooms Nos. 36, 37, 38. tillery he charged the owner with the outrage, and demanded either explanation or an apology.
